Advantages of Joining our League

Insurance: Our league offers supplemental accident insurance in the unfortunate event that you suffer an injury while on the field. This can help in supplementing costs of any medical care you need for your injury.

In addition, all members will have liability insurance coverage which is a very understated but very important benefit if it is ever needed.

USSF (United States Soccer Federation) Certified Referees: Our referees are all USSF certified to enhance your experience on the field. We all know the frustrations that an underqualified ref can bring to a game, so having trained and experienced refs helps mitigate the ill-effects of poor officiating to protect players and make it more fun for everyone involved.

Playing Opportunities: As a part of the USASA, having a team in our league opens you up to the possibility of playing in regional and national amateur tournaments across the country, including competing for national championships.

League for Every Skill Level: We have leagues and divisions for all ages and skill levels. Our premier league is the best amateur soccer in the state, but we also offer places to play for players just finding the beautiful game.

Pricing

Pricing varies per league and division. League Registration is as follows:

Individual player registration fee for an amateur player is as follows:

\$145.00* Full Season, January 1 to December 31

\$ 95.00* Partial Season, August 1 to December 31

\$ 75.00* Partial Season, September 1 to December 31

\$ 60.00* Partial Season, October 1 to December 31

\$ 95.00* Over-30/35/40 Partial Season, July 1 to December 31

\$ 75.00* Over-30/35/40 Partial Season, August 1 to December 31

\$ 60.00* Over-30/35/40 Partial Season, September 1 to December 31 *

\$ 60.00* Secondary and/or Tertiary team in another League

\$ 30.00* Secondary and/or Tertiary team within the same club and League

* Includes the annual individual cost of the mandatory USASA accident & liability insurance coverage, registration fees for both the United States Soccer Federation and United States Adult Soccer Association.

In addition to these league registration fees there are also referee fees and field rental fees. Depending on which league you sign up for, the referee fees will be different, with higher skill leagues paying more for higher quality referees.

- On average, for the men's leagues you will be looking at approximately \$300 for the lower divisions/older leagues and about \$350 for the Premier division in the GSLSL.
- On average, for the women's league you will be looking at about \$205 for the 16-game season.

We also offer a two-to-five month payment plan to help split these costs into more manageable payments. For more information on the payment plan, please see the *Registration Instructions* page.

Team Registration Requirements

If you are interested in putting a team into our league, please take note of the following requirements.

- **We require a minimum of 18 players per team.** The reason for this number is twofold. First, all team fees are allocated for 18 players, so if you do not sign up the minimum 18, you will still be short money owed to the leagues. Second, there are few times where everyone will be able to attend every game, so this number gives your team a cushion to prevent playing short-handed or worse, forfeiting.
- **Each team must provide their own uniforms.** These uniforms do not have to be fancy. All we require are two sets (different colors) of matching jerseys with a permanent number on the back, matching shorts, and matching socks.
- **Each team must have a net and corner flags.** Every women's team must have these, as each team is responsible to provide their own net and flags at every game. Although all the men's league games are played the RAC (which provides nets and flags) there may be some games played at a different location without these amenities. When this is the case, each team is responsible for their own net and corner flags, hence the requirement.

When you are ready to register your team or you have more questions please either call into the office (801)263-8166 from 10:00am-6:00pm or send an email to patrick@utahsoccer.org and we will get you set up and give you all the information necessary for the upcoming season.
